### ALL MARKETS REJOIN

- 5:30 pm **SBS Flashback** - Multiculturalism has had a defining impact on the Australian identity and migrants have the challenging task of reconciling their country of origin identity with that of the adopted homeland. (An SBS Production) (Rpt) G CC
- 5:35 pm **Hitler's Secret Drug Habit** - Cocaine, speed, sedatives, opiates, bull's semen, male and female hormones: just a few of the 82 different drugs and medications Adolf Hitler was consuming during the course of his 12 year reign. This documentary explores how far Hitler pushed the limits of his drug addiction, and if drugs were responsible for his monstrous actions - or if he was just a crazy dictator, full stop. (From the UK) (Documentary) (Rpt) PG(A) CC
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production)
- 7:30 pm **Queen Victoria's Children** - Queen Victoria's relationships with her children were complex and tumultuous. Behind closed doors, royal domestic life often seemed like a battlefield. In a 60-year family saga, this documentary explores the reign of Victoria through her personal relationships with her husband and her nine children. It's a story of manipulation, conflict, intimidation, emotional blackmail, and fevered attempts by her children to escape the clutches of their domineering and needy mother. A wealth of written material and photos left by Victoria, Albert and her children, including letters, memoirs and journals, bring the subject and characters to life. (From the UK) (Documentary) PG CC

- 3:40 am **Strip The City - Paris Cavern City** - Beneath the streets of Paris lies a parallel universe - a maze of tunnels and ancient quarries stretching for over 290 kilometres. These quarries provide the building blocks for the city, but now they threaten it with collapse. CGI animation strips away Paris's most famous icons to reveal their secret inner workings and the ingenious technology that allowed engineers to build the Eiffel Tower and Notre Dame. We peel back the boulevards to reveal the threat that lies just 20 metres below ground, and descend into the city's caverns to meet the engineers and geologists working to prop up the streets above. (S.2,Ep.6) (From the UK) (Documentary Series) (Rpt) G CC
- 4:40 am **Poppy** - Set in a cinema multiplex before the digital age, when films came on reels not portable hard-drives.
