Week 22

Sunday May 24th, 2015

- 5:00 am **Eurovision Song Contest 2015 – Final** - Australia's been given the chance to take the Eurovision stage by storm, and we've got just the right Guy for the job. In celebration of Australia's invitation to compete in the 60th anniversary of the Eurovision Song Contest and Guy Sebastian's performance in the Grand Final, SBS will bring audiences its biggest Eurovision offering yet across TV, radio and online. Hosts Julia Zemiro and Sam Pang, our very own wind machine experts, key change connoisseurs and Team Guy ambassadors, will be on the ground in Vienna ready to report on all the action from this year's contest. However it is the Australian performance that is going to have Europeans glad they invited us into the competition because one thing is for sure Guy Sebastian singing Tonight Again is going to raise the roof off Wiener Stadthalle and send schnitzels and strudels flying. - 8:30 pm **Simon Reeve's Caribbean** - The Caribbean has some of the most exotic and enticing locations on earth. It is also crammed full of history, conflict, culture, adventure, wildlife, glamour and colourful characters. Journalist Simon Reeve's journey around the Caribbean will take him from the slums of Haiti to luxury offshore tax havens; from the beaches of Barbados to the Venezuelan oil fields; from the jungles of Costa Rica to the drug war in Honduras and from the coral reefs of Belize to a cricket match in Jamaica. Simon begins his journey around the Caribbean on the island of Hispaniola and its two very different countries - the Dominican Republic, a tourist hotspot, and Haiti, the poorest country in the western hemisphere. He ends this first leg on Puerto Rico, a Caribbean island that is practically America's 51st state. (S.1,Ep.1) (From the UK) (Documentary) PG CC ****New Series Premiere****
- 9:40 pm **Defeating The Hackers** - This documentary goes behind the scenes of the exciting, fast paced world of frontline cryptography to meet the experts working at the very frontiers of science, battling to keep our secrets safe. Data is precious - and cybercriminals want it. Hackers are stealing our money and spying on our secrets. Cyber-vandals are destroying our digital lives. Even governments are eavesdropping. Defending us from our cyber enemies is a diverse group of elite scientists. They are experts in extreme physics, maths and ultra-paranoid computing, harnessing the weirdest forces in the universe to forge unbreakable codes and ultra-fast computers. This program investigates how they're using simple maths to keep our bank details safe, planting passwords in our unconscious brains, and harnessing the most bizarre physics we know of to build a whole new kind of computer - all to try and stay one step ahead of the hackers. (From the UK) (Documentary) G CC ****Premiere****

- 11:05 pm **Death: A Series About Life - Physical Death** - What happens to us when we die? In this episode we will see what happens when we die, and how death fits into nature and the cycle of life. A lot of people go a long way in trying to overcome death. In this episode we will meet several popular, and some more obscure, survival strategies. But in the history of life and evolution, could we have lived without it? We will show that in the human body there's a constant battle between life and death, where death is a driving force for life. And we ask if advances within modern medicine have resulted in a change of attitudes - leaving many people no longer seeing death as a natural thing. (S.1,Ep.1) (From Norway, in English & Danish) (Documentary) PG(A) CC ****New Series Premiere****
